

## KUDOS BLENDS LTD. – PATENTS GRANTED AND PATENT APPLICATIONS

We would like to draw your attention to the fact that Kudos Blends Ltd. has patent granted rights in the following countries:

<b>Brazil</b>	<b>France</b>	<b>Germany</b>	<b>India</b>	<b>Mexico</b>	<b>Singapore</b>	<b>UK</b>	<b>USA</b>
---------------	---------------	----------------	--------------	---------------	------------------	-----------	------------

In this regard, Kudos Blends Ltd. has patent rights to protect its coated **KODA™** Potassium Bicarbonate in these countries via the following patents:

<b>Country</b>	<b>Applicant</b>	<b>Grant No.</b>	<b>Title</b>	<b>Status</b>
Brazil	Kudos Blends Ltd	BR112012023394-7	Stabilised potassium bicarbonate and low-sodium leavening compositions	Granted
France	Kudos Blends Ltd	2 547 211 (E)	Stabilised potassium bicarbonate and low-sodium leavening compositions	Granted
Germany	Kudos Blends Ltd	60 2011 038 611.5	Stabilised potassium bicarbonate and low-sodium leavening compositions	Granted
India	Kudos Blends Ltd	326623	Stabilised potassium bicarbonate and low-sodium leavening compositions	Granted
Mexico	Kudos Blends Ltd	344564	Stabilised potassium bicarbonate and low-sodium leavening compositions	Granted
Singapore	Kudos Blends Ltd	10201502023W	Stabilised potassium bicarbonate and low-sodium leavening compositions	Granted
UK	Kudos Blends Ltd	2 547 211 (E)	Stabilised potassium bicarbonate and low-sodium leavening compositions	Granted
UK	Kudos Blends Ltd	2 570 030(E)	Stabilised potassium bicarbonate and low-sodium leavening compositions	Granted
USA	Kudos Blends Ltd	10 098 358	Stabilised potassium bicarbonate and low-sodium leavening compositions	Granted

USA	Kudos Blends Ltd	10 973 232	Stabilised potassium bicarbonate and low-sodium leavening compositions	Granted
-----	------------------	------------	--	---------

Further, Kudos Blends Ltd. would like to draw your attention to the fact that Kudos Blends Ltd has patent-pending rights in the following countries and territories:

<b>Argentina</b>	<b>Australia</b>	<b>Brazil</b>	<b>Canada</b>	<b>China</b>	<b>Europe</b>	<b>India</b>	<b>Mexico</b>	<b>USA</b>
------------------	------------------	---------------	---------------	--------------	---------------	--------------	---------------	------------

In this regard, Kudos Blends Ltd. is seeking patent rights to protect its coated **KODA™** Potassium Bicarbonate in these countries via the following patent applications:

Country	Applicant	Application No.	Title	Status
China	Kudos Blends Ltd	201810337530.3	Stabilised potassium bicarbonate and low-sodium leavening compositions	Pending

Kudos Blends Ltd. is also seeking patent rights to protect its **ZEUST™** range of leavening agents and baking powder blends via the following patent applications:

Country	Applicant	Application No.	Title	Status
International	Kudos Blends Ltd	PCT/GB2017/051831	Leavening Agents	Pending
Argentina	Kudos Blends Ltd	P170101746	Leavening Agents	Pending
Australia	Kudos Blends Ltd	2017282091	Leavening Agents	Pending
Brazil	Kudos Blends Ltd	BR 11 2018 076980 0	Leavening Agents	Pending
Canada	Kudos Blends Ltd	3 029 117	Leavening Agents	Pending
China	Kudos Blends Ltd	201780051290.4	Leavening Agents	Pending
Europe	Kudos Blends Ltd	17737349.5	Leavening Agents	Pending
India	Kudos Blends Ltd	201927002745	Leavening Agents	Pending
Mexico	Kudos Blends Ltd	MX/a/2019/000116	Leavening Agents	Pending
USA	Kudos Blends Ltd	16/312 175	Leavening Agents	Pending
USA	Kudos Blends Ltd	16/937 703	Leavening Agents C1	Pending

Genuine purchasers of these products may work under the claims of these patent applications and granted patents. However, no warranty or guarantee is provided that any commercial activity involving this product does not infringe third party intellectual property rights.

Further, Kudos Blends Ltd. would specifically draw your attention to its patent granted: European Patent No. 2 570 030 (UK) which protects a baking powder product comprising a coated potassium bicarbonate. Unless a specific agreement is arranged there is no licence provided to work under the claims of this patent application.

If you require any further clarification or information please do not hesitate to contact us.
