

Technical and production support

We are seeking an individual who is looking to further their development and career within the technical team of a fast-growing food ingredients manufacturer. This role will require you to be out and around the manufacturing site as well as desk-based. If you are a lively individual, with an enquiring mind, come and join our team.

Based on the Shropshire/Worcestershire border, we are an award-winning food ingredients company supplying national and international industrial bakeries.

Benefits

- Performance-related pay reviews and bonuses
- Thorough induction process and training with exposure to the entire business
- Pension scheme
- On-site gym
- Career progression for right person
- Friendly staff with a can-do, positive attitude

Key responsibilities include:

- Conducting laboratory quality-control testing using wet chemistry techniques
- Using a wide variety of laboratory equipment for qualitative and quantitative testing
- Carrying out reactive laboratory-based technical and operational support as instructed
- Conducting shelf-life testing as required and to schedule
- Raw material approval and routine testing
- Making up samples according to existing or new recipes as required
- Assisting in production projects to improve the quality and/or efficiency of the production lines
- Joining the production team in manufacturing a wide variety of finished goods
- Calibrating and maintaining laboratory equipment to the specified schedules
- Completing written technical reports
- Working safely, wearing the correct PPE, and reporting accidents & near misses

The successful applicant will:

- Have a degree in Chemistry or similar discipline
- Maintain high laboratory standards
- Have comprehensive knowledge of Microsoft Office
- Have excellent communication skills – both written and verbal
- Have high attention to detail

We offer a comprehensive training programme for those individuals wishing to further their career and we pride ourselves in developing staff to maximise their potential.

Please note that, due to the rural location of our business, it is essential you are able to drive as there is no public transport.

Job Type: Full-time

Salary: £18,000-£23,000 per year
